

# HARJUTA IGA PÄEV!

Puuduta sõrmega igat põrnikat ja põrista **RR**.

Räägi, mis putukatel on (jalad, silmad, tiivad jne), näita. Leia õues putukaid.

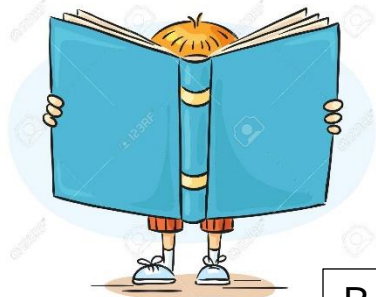

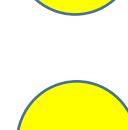

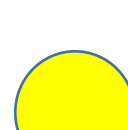

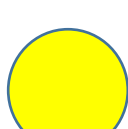

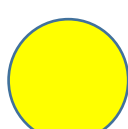

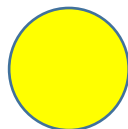

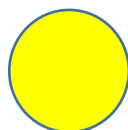

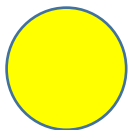

Liigu pliatsiga õige varju juurde ja ütle **R-R-R**. Hiljem mängides liigu sõrmega mööda pliatsijoont ja ütle R-R-R.

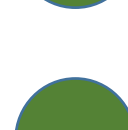

Astu iga TÄPI PEALE (sõrmega) ja ütle silp. Lõpuks ütle, mis on pildil.
